

Monica Head

Compliance Manager

Get to know Monica...

Born in Florida, Monica first moved to Maryville, TN in middle school. After high school, she moved back to Florida to attend Florida State University where she earned a Bachelor of Science in Criminology with a Minor in Biology.

She returned to Tennessee in 2011 with her two sons. She recently remarried and now resides in Kingston with her husband, Mark.

After working in a variety of industries, she transitioned to the financial services industry in 2015. She now holds the Series 6, 63, and 65 licenses as well as life, health, and accidents insurance licenses.

Her analytical mind and educational background make her well suited for compliance. Her ability to sort documents with a fine-tooth comb and understand the latest industry regulations helps keep Visionary Horizons compliant with current regulations.

Monica enjoys being outdoors, gardening, riding motorcycles, going to car shows, and training her mini Aussie, Sapphire (pictured on the right). She loves spending time with her sons. Caleb studies Nuclear Engineering at the University of Tennessee and Garrett plans to attend the University of Tennessee for his collegiate studies.

“Success is simple. Do what’s right, the right way, at the right time.”
