Other Business Activities - Item 4

Mr. Ahler is separately licensed as registered representative with Purshe Kaplan Sterling Investments ("PKS"), a securities broker/dealer registered with the Securities and Exchange Commission and the Financial Industry Regulatory Authority ("FINRA"). As a dually licensed representative, Mr. Ahler will receive commissions for the purchase and sale of securities, variable life insurance and annuity products. This commission revenue is separate and in addition to revenue received from advisory fees. This arrangement represents a conflict of interest due the potential receipt of dual forms of compensation. VH has policies and procedures in place to monitor all client transactions and all client transaction costs will be disclosed to the client.

Mr. Ahler is also a licensed insurance agent and earns commissions for the sale of insurance products. The receipt of dual compensation creates a disclosable conflict of interest. The firm expects that clients to whom it offers advisory services may also be clients for whom Mr. Ahler acts as an insurance agent. Clients are instructed that the fees paid to the firm for advisory services are separate and distinct from the commissions earned for placing the client in insurance products. Clients to whom the firm offers advisory services are informed that they are under no obligation to use the firm's Associated Persons for insurance services and may use the insurance brokerage firm and agent of their choice.

Mr. Ahler is separately employed by the City of Harriman. In this capacity, Mr. Ahler is involved in the day to day operations of the city council, mayor, and city manager to manage the flow of tax revenue

into the city as well as advise council members on budget issues, grant opportunities, and strategic use of city funds. Mr. Ahler devotes about 50% of his time to this activity. Our firm does not expect this activity to create a conflict of interest.

Additional Compensation – Item 5

Apart from the receipt of compensation for the activities listed in Item 4 above, Mr. Ahler does not receive additional compensation or economic benefits from third party sources in connection to his advisory activities.

Mr. Ahler is an investment adviser representative of VH. In this role, Mr. Ahler is responsible for general investment research, the monitoring of client portfolios for investment objectives and other reviews. Mr. Ahler is supervised by Tyler McMurray, the Chief Compliance Officer of VH.

Additionally, VH is subject to regulatory oversight by various agencies. These agencies require registration by VH and its employees. As a registered entity, VH is subject to examinations by regulators, which may be announced or unannounced. VH is required to periodically update the information provided to these agencies and to provide various reports regarding firm business and assets under management.
